**Pam moved that the minutes of the Special Meeting on November 3, 2016 be accepted.** Laura seconded the motion. The motion passed by unanimous vote.

### TREASURER'S REPORT – Kathy Solomon (See Reports Attached)

*1. CAC Statement Detail.* Kathy began the financial statement review by calling attention to a new column that breaks out CAC income and expenses. She explained each line item, and noted particularly how Betty Carpenter's salary and benefits are shared between CAC and Otey. Once all line items are broken out, CAC will have a separate financial report, beginning about Jan 1, 2017. Otey's statements will show only the aggregate transfers to the CAC account.

*2. Monthly Financial Report:* Kathy noted that the Revenue portion of the monthly statement is expanded, adding line items for CAC Non-Pledge Gifts, Investment Income and Investments sold. Investment line items are new and show for the first time the income from the Vanguard account.

Pledge payments are slightly behind budget, but Kathy expects year end giving to be larger and to make up the current shortfall.

*3. Discretionary Fund:* Rob explained the formula for accruing funds to this fund.

### RECTOR'S REPORT- Rob Lamborn (See report attached)

1. *Recent Activities:* Of note, the Pulse memorial at St. Mark's hall then a celebration at Angel Park of the individuals who lost their lives. The Parish Life Committee thanked for Octoberfest and help with the Shrimp and Grits luncheon.
2. *Jill Levine:* Rob noted that he attended a lecture by Jill Levine, a New Testament professor at Vanderbilt entitled, "Ways to Avoid Antisemitism in Preaching"
3. *Friends of Canon Gideon Foundation:* Sally Hubbard gave a talk on the Canon Gideon and Hope project during the Christian Education hour.
4. *Missional Engagement Initiative:* Rob explained to the Vestry that Otey's current Initiative is celebrating the School of Theology's 150<sup>th</sup> year.

SENIOR WARDEN'S REPORT - (No Report)

JR. WARDEN'S REPORT- (No Report)

COMMITTEES (ATTACHMENTS)

1. *Building and Grounds* (See report attached) Dorothy reminded the Vestry that the trees on campus will be cut. Tim asked Dorothy to ensure that a notice to that effect be put in the bulletin.
2. *CAC:* Larry Barker (See report Attached).
3. *Nominating Committee:* Laura announced that Tim Graham, Claudia Porter and Pete Trenchi are the 3 parishioners who agreed to be nominated for the Vestry.

Rachel suggested that the Vestry affirm to the parish that the policy of accepting all qualified parishioners for nomination is and remains Otey's policy. Laura noted that the ballot will have, in addition to the three names listed above, several spaces provided for the names of those nominated from the floor.

4. *Stewardship:* Rachel Suarez (See report attached) Rachel reviewed her report showing the results of the 2017 campaign as of November 14 (74 pledges submitted, 56 are pending). The Committee has sent a second notice to parishioners.

OLD BUSINESS

1. *Mary Sears:* Rachel advised the Vestry that Lisa Orange is interested in purchasing Mary's house and will have it inspected and will make an offer on Monday. If this does not result in a sale, the property will be listed.

The home contains personal property, a portion of which will be used to stage the home. The remainder will be sold; it has not yet been decided how the proceeds will be divided between the Sears family and Otey. There was a short discussion concerning whether someone would sell the personal property for a commission.

Rob noted that Diane Jones has agreed to house sit, charging \$10 for each day that she provides that service.

***Motion: Rachel moved that the Vestry authorize the executor of Mary Sears estate, Susan L’Engle de Figueiredo, to sell Mary’s home in accordance with the will and, subject to Vestry approval of the sales price, and a requirement that the net proceeds be placed in escrow with the title company or into the Chancery Court until the estate is probated.*** Laura seconded the motion. The motion passed by unanimous vote.

***Motion: Dorothy moved that the Vestry accept Diane Jones’ offer of \$10/day to house sit May Sear’s house until the house is sold.*** Tim seconded the motion. The motion passed by unanimous vote.

## BUILDINGS AND GROUNDS MINUTES – NOVEMBER 9, 2016

### **Updates on Projects:**

1. New office space in Claiborne for Diane Fielding – completed
2. Installation of office door windows – Mickey has windows for framing prior to installation
3. Electrical work:
  - Rheostat for chapel light – completed but need dimmable bulbs
  - Rheostats for Brooks Hall center hall and dining room chandeliers – Mickey/Evan
  - Replace back hall sensor light switch with regular switch - Evan
  - Outside lighting – Wlm. McBee repaired Brooks Hall front porch light, it is on a timer. His opinion is that the outdoor lighting is so convoluted it will probably be less expensive to start over than to try to find where the wiring runs underground and could probably now be under concrete.
4. Linen cabinet in Sacristy – Rob discussing with George
5. Unclogging underground drain line for Brooks Hall downspout & removing surface downspout – underground drain determined to be cutoff during construction. Mickey & Drew will study possibility of rerouting.
6. Indoor signage – Rob & Frieda to determine location & nomenclature
7. Godly Play “clothesline” on which to hang children’s artwork – Frieda has clothesline – need someone to hang.
8. Corkboard for posting parish events – Dorothy painted and it needs to be hung in center hall over bench.
9. Adaptive sound system components received and in service – completed.
10. Usher instructions regarding changing temperature on HVAC. Discussed instruction sheet development for ushers. Frieda to look for possible existing one to tweak.
11. Looking for solution to prevent parking on grass between St. Mark’s and Brooks Hall – Betty Barton
12. Replacement of Episcopal Church sign on Hwy 41A. Rob studying options at <http://episcopalmarketplace.org/Configure-your-Custom-Sign>.
13. Light bulbs on outside eave motion sensor lights on driveway side of St. Mark’s were not broken but burned out and replaced (Drew). Need the sensors to be replaced with timer ones instead of motion ones. Evan
14. Need replacement of shingles on Brooks basement window on church side. Drew to replace and George to touchup paint.
15. Door leaning against back of Brooks needs to be taken to dump.
16. We have permission from the University to remove two large white oaks, one box elder and a sugar maple. King’s Tree Service had lowest bid. Frieda to arrange date to coordinate with parish activities.

### **Future Projects:**

1. Claiborne floors – sound deadening between floors awaiting funding.
2. Reverberation in St. Marks Hall – Barbara Prunty will get two panels (enough for one window) from J. C. Penny. These are ready-made

- curtains in long lengths that should fit our windows. She will outfit one window as a sample of what it could look like – possibly solicit donations?
3. Exterior signage of the “Exit only” sign and “Do Not Enter” sign need repainting, sealing and new posts. In order to maintain aging wood signs they need cleaning and painting with sealer once a year.
  4. Round-off turn from parking strip on the side of the church onto driveway and move existing rocks back to follow the new curve once Brenda can get back on her tractor.
  5. Need new speed bump on driveway behind Brooks Hall – Drew to investigate.
  6. Cement parking bumpers located in pile in back of St. Mark’s Hall need to be moved to driveway parking pad in front of Brooks Hall to restrict parking on lawn. Spring Parish Workday?
  7. Danley looked at relocating back thermostat in church from post to back left corner below inside glass window but he was not in favor of it. Dorothy will check with Mike Roark to see if he could run the wiring.
  8. Replace blown bulbs inside church before Advent - George
  9. Refinish outside top of front church doors - George
  10. Scrape and repaint iron railing in front of church. Spring Parish Workday?
  11. Remove leftover construction debris and scape lumber that have exposed nails from behind building. Spring Parish Workday?
  12. Dispose of wrought iron benches by outdoor chapel – wrought iron broken so not able to be salvaged. Get this done when door leaning against the back of Brooks is taken to the dump?
  13. Lay gravel and define additional parking by driveway of outdoor chapel. This will require Joseph Sumpter’s input to prevent erosion of new area.
  14. Banister at back of St. Mark’s Hall needs sealing. Bonner Scholars to work with Betty Carpenter and Bruce Baird.
  15. HVAC units behind St. Mark’s Hall need removable security fencing installed – plastic lattice? This is already on the radar of Children’s Center director Sandy Glycet.
  16. Recover couch in Adult Ed. Room with upholstery material found at Mary Sears house. Barbara will get upholsterer to come look at the couch to determine if there is enough material and if it will work on the couch.
  17. Contact Joseph Sumpter regarding erosion of driveway by Children’s Center - Dorothy
- Next regular meeting on Wednesday, December 14<sup>th</sup>.

COMMUNITY ACTION COMMITTEE  
BOARD REPORT  
OCTOBER 2016

The October Community Meal was a huge success with over fifty in attending. There was a wonderful cross-section of the mountain and the students did an outstanding job. Our financial picture is very clear and easily understood due to the hard work of Kathy Soloman and Diane Fielding. Monies to "Buck's Fund" for medical expenses have been distributed and we have been able to assist several individuals with medical requests. The South Cumberland Power committee continues its work in partnership with CAC, Mountain T.O.P. Community Engagement and VISTA. There has been much progress made this academic year and ultimately our clients can benefit with lower utility bills. The CAC/St. James After School Tutoring Program has a start date of January 11. There is a strong committee and Bonner Leader Allison Bruce has done an outstanding job. I am encouraged by the number of our CAC friends who drop by just to visit. It is a wonderful opportunity to share different world views and gain understandings as are the Community Meals always on the last Friday of each month.

- sent an initial letter from the rector and a follow-up letter from the Stewardship Committee that included the pledge card
- set the rector's stewardship sermon
- arranged for parishioner stewardship witnesses, Shelley Cammack, Sophia Patterson and Tom Phelps
- Rector conducted Adult Forum on parish finances,
- set up "Otey Parish Treasures" posters in St. Mark's Hall
- provided bulletin inserts on Stewardship
- conducted the ingathering of pledges on October 30th with Shrimp and Grits brunch following sponsored by the Stewardship Committee, Parish Life, and the Vestry
- writing thank-you notes to 2017 pledgers
